

**AMENDMENT TO THE SPECIFICATION**

Please Amend Paragraph [00035] to state,

[00035] The invention also relates to a method for using a tubular connector with a pressurizable part, such as a BOP or subsea Christmas ~~tress~~ trees. The method begins by sliding a coupling nut over a tube, sliding a rear ferrule over the tube, sliding a front ferrule over the tube, and sliding a lifting component over the tube. Sliding a lifting component over the tube forms a ferrule assembly over the tube.

Applicant believes that no new matter has been added with these amendments.
